OUR IMPACT

Montachusett Home Care Corporation (MHCC) is a non-profit agency offering a variety of programs that enable elders and younger adults with a disability to remain safely in their homes. As one of the Commonwealth's 26 Aging Access Points, MHCC provides critical services to individuals in the following 21 towns: Ashby, Ashburnham, Ayer, Berlin, Bolton, Clinton, Fitchburg, Gardner, Groton, Hubbardston, Lancaster, Leominster, Lunenburg, Pepperell, Princeton, Shirley, Sterling, Templeton, Townsend, Westminster, and Winchendon.

Services include referral for senior services, including home care services, housing options, public benefits, case management, health insurance options, and adult foster care. Our ombudsman services ensure the safety, comfort and well-being of elders who are in boarding and/or nursing homes in the towns we serve.

The proceeds from the Annual Golf Classic support volunteer programs including our Money Management, Companionship, Medical Appointment Escort and Ombudsman Programs. These programs allow the elderly and individuals with a disability to remain in their homes safely, comfortably and with dignity.
